3 March 2016

Principal’s Report

This time of the term is always busy with many different activities and events occurring throughout the school.

Today, Wednesday 2nd March we will be holding our Year 6 into Year 7 Information Night for prospective Year 7 2017 students. Families will be able to tour our school and experience the specialist rooms our school has to offer. Faculties will also put up information displays with Head Teachers and staff available to answer any questions about High School. Our SRC along with some of our students will be leading tours and demonstrating some of the wonderful work that happens at Mount Annan High.

On Monday 22nd February Mount Annan High School had the pleasure of hosting the first of the junior AECG meetings. Indigenous students from Mount Annan Primary School, Currans Hill Primary School, Oran Park Primary School and Mount Annan High School met to discuss and plan for future indigenous celebrations and events.

In the September/October holidays students in Year 10 & 11 have the opportunity to participate in an overseas excursion to Japan and to experience Japanese life. Each year our students who attend this excursion always enjoy the opportunities that are presented to them. Mrs Kovac has spoken to Year 10 & 11 and have provided information to interested students.

This year Mount Annan High School will be participating in the Tell Them From Me surveys. This is an opportunity for students, parents and teachers to have a say about our school community and guide the direction for future developments. Information has gone home about the surveys which will take place during the year. If you DO NOT wish your child to be involved please let the school know by returning the letter that has been sent home with your child.

Looking forward to a busy but rewarding middle of the term!

Brad Mitchell
Principal

Upcoming Events

- Year 6 into Year 7 Information Evening: Wednesday 2 March 2016
- SSW Regional Swimming Carnival: Monday 14 March 2016
### Deputy Principal Report

We are now well into Term 1 2016 and students are all settled in for the year. Many exciting events this week for example the Zone Swimming Carnival which I am sure has been highly successful. Thank you for your support of our students to get to these events. Without family support we would not be able to have such good representation at these occasions.

Our Year 6 into 7 Information Night will be a huge success with over 190 tours booked between 4:30 and 6.30pm tonight 2nd March. A sausage sizzle fundraiser will be run by our hardworking P & C and funds that are raised will eventually come to all the faculties in our school to provide resources for students. Refreshments will be provided for families, our faculties will have static displays in the gym and lessons occurring in various parts of the school. Bands will be playing, experiments being conducted and cooking in one of our kitchens will be highlights.

Our Year 12 CAFS class was recently provided a guest speaker, Ms Harris’ mum, who spoke on the elements of an active life after retirement. By all accounts an entertaining event and a real world example for students to learn from, a very valuable experience.

Coming soon: our whole community will have the opportunity to participate in school surveys under the banner ‘Tell Them From Me’. You will have already received a letter home seeking permission for your child to participate in these. Teachers and our parent community will, also, have the opportunity to provide feedback to our school via these surveys. So watch this space to have the opportunity to voice your opinion.

Easter break is coming up shortly, then back to school for nine days and school holidays will be upon us. Between Easter break and the school holidays Year 12 will be sitting their half yearly examinations. Our students are making good use of the Learning Centre to study and this important initiative for 2016 has proved already a great support for our students with a teacher available every lesson for them in their study periods.

Thank you for your continued support.

### 2016 Europe Tour Update

There are approximately 44 sleeps until 13 students from Mount Annan High School and Elizabeth Macarthur High School jet off to Rome for the inaugural Ancient and Modern History Tour of Italy, Austria, Germany, France and Belgium.

The MAHS students are from Year 12; Vanessa Fryer (School Captain), Layce Thompson and Allysha Poletti and from Year 11 Derrick Luvuhze, Karla Dinclin, Lauren Cislowski, Anita Watene and Travis Amalfi who has an apprenticeship this year. Mr and Mrs Backhouse and Ms Jacqui Bowring a PE Teacher from Elizabeth Macarthur High School will be accompanying the students and supervising them on an adventure of a lifetime.

The tour encompasses visits to Ancient Roman sites such as the Roman Forum and Coliseum in Rome, Pompeii and Herculaneum in Naples, Salzburg in Austria and Modern History sites include Berchtesgaden in Bavaria for Hitler’s summer headquarters, The Nuremberg Courthouse and the Zeppelin Fields then some time spent in Paris visiting the Musee de Louvre and Eiffel Tower then on to the Battlefields of the Western Front, the Somme and Passchendale near Ypres in Belgium.

We are particularly looking forward to the Platoon experience at Broonsheid in Belgium where the group will re-enact in full WW1 uniform with webbing, rifle and tin hat, the action of the Australian battalion that took part in that famous battle on the 4th October 1917.

This photo is from the 2014 tour. The students are more and more excited as our departure date gets closer...

### CAPA newsletter

The CAPA faculty has continued to grow this year with the arrival of two new drama teachers Miss Russell and Mr Gillett who are very excited to be working at our school and developing various Drama opportunities for our students.

CAPA is an important part of the Mount Annan School culture with fortnightly lunch time Concerts, two yearly Musicals, Drama performances, Art Exhibitions, Photography documentation, Japanese Trip and various excursions. There will also be many other opportunities throughout the year for students to be involved in these areas of the Creative and Performing Arts faculty with Rock band and Gifted and Talented...
Art programs running on Tuesday afternoons after school and Japanese lessons running on Tuesday lunch times for interested students. Drama is also offering a Drama club on Thursday afternoons and Photography students continue to gain experience in documenting regular school events throughout the school calendar.

A kind reminder to parents about fees which assist our department in providing greater opportunities for the students in our subjects and electives such as Art, Music, Drama, Photography and Japanese. These fees can be paid at the front office.

We look forward to working with all Mount Annan students in offering them creative and performing arts opportunities throughout 2016.

Let’s Figure. Year 8 already

Before Mr De Gruchy and I can blink an eye lid it will be the end of the year and the school camp will be over. So don’t forget to get your deposit in and notes for our Year 8 Great Aussie Bush camp in Term 4. So far in 2016 Year 8 has started learning Japanese with Mr Lim, In class Mr Lim is not only teaching the language spoken but looking at the food, culture and traditions.

There was great participation and attendance at the school swimming carnival a few weeks ago for Year 8. Fun and competitiveness was both on the land and in the water. This was a most enjoyable and great year building day. The students demonstrated their tug-a-war skills and determination, this definitely worth mentioning. Have a great term Year 8 and stay on task.

Thanks
Mrs Woolley and Mr De Gruchy
Year 8 Advisor and Assistant Year Advisor

Year 10 Report

Year 10 students have started the year off in a very mature, positive fashion and it is apparent that they have responded well to the responsibilities of being in an older year.

We have enrolled quite a few new students into Year 10 so far this year and they have settled in really well. All of the new students seem to be enjoying the positive culture at MAHS.

There are assessment tasks coming up soon, so if parents could check the assessment schedules in students books, that would be great.

We had a great day at our annual swimming carnival and a number of students in Year 10 have qualified to represent the school at Zone level. Congratulations to those students!

We will also be continuing the STEPS program this year and 50 students from Year 10 will travel to Western Sydney University in May to look at possible future courses to enrol in after completing their HSC in 2018.

Finally, I would like to thank all of the students and parents who have shown an interest in the Year 10 Camp that will take place in December this year. We need at least 40 students to pay for and attend the camp for it to move forward. A preliminary information note was sent home 2 weeks ago and a more comprehensive note will be given to students over the next couple of weeks.

Thank you,
John Hughes and Alana Coluccio
Year 10 Advisor and Assistant Year Advisor

Year 12 Report

Year 12 students have settled into their study program for 2016. The Learning Centre is up and running and during Term 1 every student will be completing a personalised Learning Plan as part of their access to the Year 12 curriculum. A big thank you to Ms Krishnan for all her hard work surrounding the Learning Centre.

A big congratulations, goes out to the whole of Year 12 who made their last swimming carnival one to remember. A number of students dressed up for the occasion, and participation levels were high. Thank you to Jack Harris, Alexander Wilson, Josh Carter, Brodie Lewis and Blake Lynch who organised the novelty events for all year groups and to our Leadership team who encouraged student participation. This added to the spirit of the day. Daniel Woodhall and Francis Diwa also did an
amazing job by organising and supplying the music. This further enhanced the celebration spirit.

Year 12 Advisor

Library

The Library at Mount Annan High School is opened each day at Recess and Lunchtime.

Students are able to borrow 2 Books for 2 weeks.

At Recess students are able to sit with friends, use resources, access computers and borrow books. At Lunchtimes we have a Chess Club for anyone to play. Students can do their homework, access technology, read a book or play a board game.

We also have Bookclub at our Library, students can pick up an order form and place an order for books that they would like. Please get students to bring back their money and order form to the Library.

This year every NSW school Library will be implementing a new Library system called ‘Oliver’. I have organised to get every student at Mount Annan High School a new Library ID Card as the cards have a new Barcode system.

As the Librarian I have handed out the cards to Years 8-12. If your child has not received their card, can they please come and see me in the Library and I will organise a card for any student.

Year 7 had their portraits taken for Library ID cards and they will be arriving soon.

As Teacher Librarians we teach the whole of Year 7 every year. The Library Information Skills and Literacy classes will enable the students to work through the Information Skills Process with all tasks.

My role as the Teacher Librarian at Mount Annan High School is to work together with students to achieve a love of reading and to enhance successful life-long learning.

In 2016 I job-share my role with Miss Fiona Watts. I am the Librarian Monday/Tuesday/Wednesday and Miss Watts is the Librarian Thursday/Fridays.

If you have any questions, please don’t hesitate to contact us at school.

Macarthur No Interest Loan Scheme

Macarthur NILS lends up to $1200.00 for a variety of essential household items such as refrigerators, washing machines, household furniture and computers. We also lend for essential services such as green slips.
Our loans can also help families with children take part in school camps, major sporting representation, and to have complete school uniforms.

Repayments are tailored to suit your budget and start at around $30 a fortnight.

**All of our loans have no interest and no charges.**

You can apply for a loan if you have lived in the Macarthur area for the past three months, have a Health Care Card or a Centrelink Pension Card, and have enough in your budget to easily repay a loan.

To apply please call us on 4625 6487 or email us at admin@macarthurnils.org.au. We are located at 22 Iolanthe Street, Campbelltown.

We have also attached our service’s brochure for your information.

**P&C Fundraising News**

As a P&C fundraising initiative, we have joined the Quickbeds Grassroot Fundraising Program. For every hotel accommodation that parents book through Quickbeds, using our unique club code and link, our school will receive a percentage of the booking cost.

For more information, please collect a leaflet from the office or contact Brooke Groat on 4648 0111.
